

IAVI and Partner Publications Funder Acknowledgments (non-Neutralizing Antibody Center partners)

IAVI is a minor partner (minority funder with USAID)

This work was partially funded by IAVI with the generous support of United States Agency for International Development (USAID) and other funders; a full list of IAVI's major funders is available at iavi.org. The contents of this manuscript are the responsibility of the authors and do not necessarily reflect the views of USAID or the U.S. Government.

IAVI is a substantial partner

This work was partially funded by IAVI with the generous support of United States Agency for International Development (USAID) and other funders; a full list of IAVI's major donors is available at iavi.org. The contents of this manuscript are the responsibility of IAVI and co-authors and do not necessarily reflect the views of USAID or the U.S. Government.

IAVI lead author with partner and work is primarily USAID funded

This work was funded in part by IAVI and made possible by the support of the United States Agency for International Development (USAID) and other funders. The full list of IAVI's major donors is available at iavi.org. The contents of this manuscript are the responsibility of IAVI and do not necessarily reflect the views of USAID or the U.S. Government.

IAVI lead author with partner and work not USAID funded (include any substantial direct specific funder(s)):

This work was funded in part by IAVI and made possible by the support of many donors, including: the Bill & Melinda Gates Foundation, the Ministry of Foreign Affairs of Denmark, Irish Aid, the Ministry of Finance of Japan in partnership with The World Bank, the Ministry of Foreign Affairs of the Netherlands, the Norwegian Agency for Development Cooperation (NORAD), the United Kingdom Foreign, Commonwealth and Development Office (FCDO), and the United States Agency for International Development (USAID). The full list of IAVI's major funders is available at iavi.org. The contents of this manuscript are the responsibility of IAVI and do not necessarily reflect the views of USAID or the U.S. Government.

IAVI work — not USAID funded (include any substantial direct specific funder(s)):

This work was funded in part by IAVI and made possible by the support of many donors, including: the Bill & Melinda Gates Foundation, the Ministry of Foreign Affairs of Denmark, Irish Aid, the Ministry of Finance of Japan in partnership with The World Bank, the Ministry of Foreign Affairs of the Netherlands, the Norwegian Agency for Development Cooperation (NORAD), the United Kingdom Foreign, Commonwealth and Development Office (FCDO), and the United States Agency for International Development (USAID). The full list of IAVI's major funders is available at iavi.org. The contents of this manuscript are the responsibility of IAVI and do not necessarily reflect the views of USAID or the U.S. Government.

IAVI work — USAID funded

IAVI's work is made possible by generous support from many funders including: the Bill & Melinda Gates Foundation; the Ministry of Foreign Affairs of Denmark; Irish Aid; the Ministry of Finance of Japan in partnership with The World Bank; the Ministry of Foreign Affairs of the Netherlands; the Norwegian Agency for Development Cooperation (NORAD); the United Kingdom Foreign, Commonwealth and Development Office (FCDO), and the U.S. President's Emergency Plan for AIDS Relief (PEPFAR) through the United States Agency for International Development (USAID). The full list of IAVI's major funders is available at iavi.org. This [study/report/project] is made possible by the generous support of the American people through PEPFAR and USAID. The contents are the responsibility of IAVI and do not necessarily reflect the views of PEPFAR, USAID, or the U.S. Government.
